Re : SECTIONAL MEETINGS TO DISCUSS SCHOOL PROBLEMS

Ladies and Gentlemen:

During the month of January, 1943, a series of sectional meetings will be held on the Island, according to the attached schedule. At these meetings the following topics will be discussed:

1. English projects
2. Community problems
3. The teaching of elementary school Spanish
4. The junior high school

The attendance of all superintendents, assistant superintendents, English field assistants, and principals of elementary urban, junior high and second unit schools is expected. Traveling expenses and per diem will not be paid.

The real purpose of these meetings, at which the Commissioner of Education, the Assistant Commissioner, and several supervisors from the Central Office will be present, is to have the local supervisors bring up their problems and doubts for discussion.

Please note the date of the meeting in which your district is included and arrange to have all of your supervisory staff present.

Very truly yours,
